**St. Anthony de Padua Catholic School is a Catholic School in the Diocese of La Crosse. As a Catholic School we will teach and advocate our Catholic Faith. All students are welcome in our school, and all parents and legal guardians must understand that Catholic Doctrine will be taught. The passing on of our Catholic Faith is our number one priority.**

## ATTENDANCE PROCEDURES AND POLICIES:

**Attendance Requirements: under Statute 118.16 Wisconsin students are required to attend and be on time for all parts of the school day including study hall, lunch hour, or any scheduled part of the school day.**

Daily attendance at school is essential for all students to be successful in school. Wisconsin has a compulsory attendance statute that we will follow and enforce. School is a student's full-time job. Parents are responsible for their child's attendance until they reach the age of 18 years and are subject to the law and violations will be subject to referral for truancy to the appropriate authority. Parents are strongly advised to plan vacations, family trips and medical/dental appointments around the school calendar.

**IMPORTANT NOTICE: The Wisconsin state statute for mandatory attendance applies to unexcused absences. The power to deem an absence as excused or unexcused does not lie with the parents, guardian, or student. The school administrator has the legal authority to determine if an absence is excused or unexcused. Therefore vacations, family trips of any length or any other absences, planned or unplanned-including medical and dental appointment may be deemed. UNEXCUSED by the school administrator and will be subject to penalties under the law.**

### Attendance Markings:

Full-Day Absent: The student is not in school the entire day or leaves a before 10:00 and does not return.

Half- Day Absent: The student leaves for part of the school day.

Tardy: The student arrives after the start of the school day, but before 10:00.

Early Dismissal: The student leaves school after 1:00.

### Procedures for reporting Absences

**Each day that a child is absent the parent must call the office to report the absence before 8:30 a.m.**

**Upon returning to school the parent must send a written explanation of the student's absence. Failure to call or send a written explanation will necessitate the school office to call the parent and may result in an unexcused absence.**

If a student is absent for 4 or more consecutive days, a note from medical personnel is required upon return to school. **If a student has any communicable illness or disease, parents must notify the school office.**

**Homework Requests due to absence: All requests for homework due to absence must be made prior to 8:30 a.m.**

If a student is absent from school on the day of an afterschool activity, they may **NOT** attend or participate in that activity. Absence from a mandatory school activity will be marked as unexcused.

### **UNEXCUSED ABSENCES OR TRUANCY.**

According to Wisconsin Statute 118.6 for compulsory attendance, the school is the authority that excuses or not excuses any absences for all or part of a school day.

An absence may be unexcused or truant for the following reasons.

Chronic or repeated absences or tardies

Chronic absences for medical reasons without medical documentation.

Absences that have failed to be reported following the proper procedures

Excess absences without a valid reason

Absence due to disciplinary actions

Failure to return to school after an appointment if time allowed.

A letter of Truancy will be sent to the parents after 5 or more days of unexcused absences

This may result in a referral to the appropriate authorities.

### **ADOPT-A-STUDENT:**

This program, based on need, is a tuition assistance program for parents wishing to send their child(ren) to St. Anthony de Padua School. Application forms are available in the school office. Application can be filled out through September to April of the current school year. All applicants are kept completely confidential.

### **ALCOHOL-DRUGS-TOBACCO:**

Alcoholic beverages, drugs, and tobacco in any form are not allowed on school grounds at any time.

### **DSP 5508**

“Every Individual, precisely by reason of the mystery of the Word of God who was made flesh (cf. Jn 1:14) is entrusted to the maternal care of the Church. Therefore, every threat to human dignity and life must necessarily be felt in the Church’s very heart; it cannot but affect her at the core of her faith in the Redemptive Incarnation of the Son of God and engage her in her mission of proclaiming the Gospel of Life in all the world and to every creature” (cf. Mk 16:15). (Evangelium Vitae, Introduction, Section 3; paragraph 1)

The Catholic schools of the Diocese of La Crosse are Christ-centered educational communities which proclaim the Gospel of Life and recognize the human dignity of each person. Therefore, it is the mission of each Catholic School to provide a Christian environment in which each member is able to develop his/her special talents and gifts to achieve his/her greatest potential. \*(See the appendix for the full text.)

### **BICYCLES:**

With parental approval, bicycles may be ridden to school. The bicycles must be left in a designated area and may not be ridden during school hours.

### **CATHOLIC FAITH AND MORAL STANDARD:**

DSP 5112

As a condition of initial and continued enrollment as a student in the diocesan schools, a student’s conduct must be consistent with Catholic faith and morals. Conduct which is inconsistent with Catholic faith and morals, which is a threat to the health, safety, and welfare of other students and/or which causes scandal, impairs, or threatens to impair the reputation of the Church or its schools, is grounds for disciplinary sanctions up to and including immediate expulsion.

### **CATHOLIC SCHOOLS WEEK:**

St. Anthony celebrates Catholic Schools Week at the end of January. A fundraiser of some kind is held to raise the funds needed for the weekly activities. Some activities that may be planned for the week are swimming, roller skating, bowling, a movie with soda and snacks, contests, etc.

## CELL PHONES:

Cell phone use is not permitted in school or on school grounds unless a staff member gives permission. ## CONFERENCES:

DSP 5205

As a personal means of informing parents as to the development of their children, we schedule conferences on a regular basis. Under ordinary circumstances, the children should be at these conferences.

**Remember - If a student is tardy or leaving early, a parent needs to sign the form in the office.**

## DANCES AND PARTIES:

DSP 5790

Schools are not to sponsor mixed parties and dances for grade school students, when they are, such as to promote premature dating, exclusive and particular boy-girl associations, and the pairing off of couples. School activities which are well supervised, and which are instructive in the social graces and productive of mature and wholesome relationships are encouraged.

## DISMISSAL AND EXPULSION:

DSR 5115

If a dismissal or expulsion is pending, the diocesan director of the office for Catholic School should be notified immediately. The diocesan director of the Office for Catholic Schools will review the case, consult legal counsel if necessary, and make a recommendation back to the school. ## HOME AND SCHOOL ORGANIZATION:

The Home and School Organization is an important part of our school community. Several meetings, social events and fundraisers are held each year to support the school and its activities. ### DRUG/MEDICATION ADMINISTRATION

DSP 5505

The state legislature has provided for administration of drugs to students who must have medication while attending school. Any private school employee or volunteer authorized in writing by the private school administrator or principal, as well as any licensed school bus operator authorized by the proper school authority, may administer certain drugs to students. No employee, except a health care professional, may be required to administer a drug to a pupil under this law by any means other than ingestion.

Any drug which may lawfully be sold over the counter without a prescription may be administered in compliance with the written instructions and consent of the pupil's parent or guardian. Administration of a prescription drug requires written instructions from a physician, dentist or podiatrist and written consent from the pupil's parent or guardian.

The party authorized to administer the drug and the school principal or administrator are immune from civil liability for their acts or omissions unless there is a high degree of negligence. "High degree of negligence" is defined as "conduct which demonstrates ordinary negligence to a high degree, consisting of an act which the person should realize creates a situation of unreasonable risk and high probability of death or great bodily harm to another." (This immunity does not apply to health care professionals.)

The governing body of the private school whose employees or volunteers may be authorized to administer drugs under this law must adopt a written policy governing the administration. The policy shall include procedures for obtaining and filing in the school or other appropriate facility the written instructions and consent required. There must be procedures for the periodic review of the instructions, for the storing of the drugs, for record keeping and for the appropriate instruction of persons who may be authorized to administer the drugs. (For the proper protection of students and faculty, many schools require that the medication be kept in a locked cabinet.) (s. 118.29.) (Copies of the state law can be found in the WANS Legal handbook.)

### Administration Recourse

DSP 1901    DSR 1901

Any grievance by a parent/guardian against the school or its employees shall be resolved through Diocesan Administrative Recourse. Diocesan Administrative Recourse shall constitute the exclusive method for resolving such disputes and parents are bound by its determination as final and binding upon them. No dispute shall be submitted to Diocesan Administrative Recourse unless, within 30 days of the occurrence giving rise to the dispute, the first step of the Diocesan Administrative Recourse is commenced by the parent/guardian.

Outline of the chain of authority to be followed in resolving disputes:

- |   |                       |
|---|-----------------------|
| 1. Teacher or other school employee     | 4. Pastoral Authority |
| 2. Principal                            | 5. Dean               |
| 3. Area Administrator (If there is one) | 6. Diocese            |

### PROCEDURE IN THE DIOCESE OF LACROSSE:

When one of Christ's faithful judges himself or herself injured by the decision or action of a person exercising pastoral or administrative authority in the Diocese of LaCrosse, he, or she, first, is to confront the person in question with the grievance and seek reconciliation with the person.

If the party who judges himself or herself injured is not able to achieve reconciliation by conversation with the authority involved, he or she may present the grievance to the pastor of the Church within thirty calendar days of the time of the alleged injury. The recourse is to be made in writing and is to state the facts of the conflict and the reason or reasons why the party judges himself or herself injured. The response to the recourse also is to be made in writing and is to state the reasons for the response given.

If the grievance is against an authority in the parish, the appeal first is to be made to the pastor who is to seek to reconcile the two parties. At this level and at the successive levels, the pastor may seek the assistance of others, especially those respected for their ability to reconcile; but in the end the pastoral authority remains responsible for seeking the resolution of the conflict. No consultative body as such or members of consultative bodies, in virtue of their membership, should be given the pastoral responsibility of resolving such conflicts. The consultative body, e.g., the parish pastoral council, has responsibility for assisting the pastor in drawing up good policies for the pastoral activity of the parish and for assisting the pastor in clarifying policies in cases of conflict or interpretation. It does not, however, engage in the administration of the policies. The pastor is obliged to respond to the recourse within fifteen calendar days from the time he receives it. Once the pastor has given his response to the recourse, the conflict is considered reconciled, unless the pastor's response is appealed to the dean with fifteen calendar days from the date the parties in conflict receive the response.

If reconciliation is not achieved with the pastor's help or if the grievance is against the pastor himself, the appeal is to be made to the local dean who by office has special responsibility for promoting harmony of pastoral action

and unity of Church life in his deanery. (cf. Can. 555, 1, 10; 2, 20) If the grievance is against the pastor, and the pastor is the local dean, then the appeal is to be made to the dean of the closest neighboring deanery, with the consent of the Diocesan Bishop. The dean is obliged to respond to the recourse within fifteen calendar days from the date he receives it.

If reconciliation is not achieved on the deanery level, or if the grievance is against the dean in the exercise of his office of dean, then the appeal is to be made to the Diocesan Bishop directly. The Diocesan Bishop may carry out the work of reconciliation himself or he may name another to act for him in the matter. In the latter case, the Diocesan Bishop makes his own response to the person named. The Diocesan Bishop is obliged to respond to the recourse within fifteen calendar days from the date he receives it.

If the grievance is against the Diocesan Bishop, the legislation in the Code of Canon Law is to be followed. (cf. Canon 1732-1739)

It should be kept in mind that the code of Canon Law requires a special procedure to be followed by the Diocesan Bishop in the case of the removal of a pastor (cf. Canon 1740-1747) or the transfer of a pastor unwilling to be transferred. (cf. Canon 1849-1752)

### Penalty Status During Administrative Recourse Procedure

The penalty for a violation of a school or diocesan policy or regulation is to be enforced during the recourse procedure. However, a request can be made to the diocesan director of Catholic schools to speed up the recourse procedure. This request can be made by the school, employee, student, or parent affected. The request can be granted or denied.

## Component 5: Food Service Guidelines

Two areas are included in the Food Service Guidelines: Nutrition Standards and School Environment.

The purpose of having Nutrition Standards for all foods available on school campus during the school day is to make certain foods served in the hot lunch program and foods available during the day are nutritionally sound.

Nutrition Standard Goals:

1. The nutritional value of lunch program foods will be closely monitored to provide nutrient dense, low fat and low sugar meals.
2. Field trips going over the lunch period will use cold lunches prepared by our cook (Weather permitting outside eating).
3. Teachers and parents will be encouraged to provide healthy snacks for children's parties, etc.
4. Food Service staff is a licensed cook.

Establishing School Environment guidelines mandates that we look at the atmosphere in which children are eating. School environment plays an important part in a child's desire to be a healthy, physically active person.

School Environment Guidelines:

1. No child will be denied food or food that they require because of their health condition.
2. Pre-Kindergarten and Kindergarten students will have their morning snack earlier so that they are appropriately hungry at lunch time.
3. Students in Pre-K – 4 are allowed up to 30 minutes for eating.
4. Students in 5 – 8 are allowed up to 20 minutes for eating.
5. Food and beverages are served in as attractive, pleasing way as possible with throw-away container/utensils use kept at a minimum.
6. The parish community uses the cafeteria and kitchen area for funeral dinners and fundraising activities whenever necessary.
7. Establishment of a school health council to oversee and coordinate physical activity and/or nutrition.
8. Communications to parents on health and nutrition topics.
9. Establish a physical activity program designed to benefit staff health.

## Component 6: Policy Monitoring / Implementation

- St. Anthony School convenes a district wellness committee that meets at least three times per year to establish goals for; oversee school health, safety policies, and programs, including development, implementation and periodic review and update of wellness.
- The wellness committee members will represent all school levels and include, but not be limited to parents and caregivers, students, representatives of the school nutrition program, school administrator, education committee members, health professionals (dietitians, doctors, nurses, dentists), and the general public. St. Anthony School will compile and publish information about the wellness policy and report on the progress of the school meeting wellness goals.
- St. Anthony School will actively notify households/families of the availability of the annual report through the newsletter.
