2026 Newsletter

Dear Families,

As we move into the month of March, our hearts and minds turn toward the sacred seasons of Lent and Easter. Lent invites us to slow down, reflect, and prepare our hearts for the joy of Christ's Resurrection. Through prayer, fasting, and almsgiving, we join together as a school community to grow closer to God and deepen our understanding of His love and mercy.

Our students have been participating in weekly Stations of the Cross, taking time to reflect on Jesus' journey and sacrifice for us all. We are proud of their reverence and thoughtfulness during this special time. As we look ahead, we joyfully anticipate celebrating Easter, the heart of our faith and a season of hope and renewal.

Academically, our students continue to grow in knowledge and faith each day. As we enter the final months of the school year, we encourage everyone to stay focused, keep working hard, and support one another in both learning and prayer.

May this Lenten season be a time of reflection, grace, and growth for all our families. Let us prepare our hearts to celebrate the gift of new life that Easter brings.

Wishing you peace and blessings,

The Staff of St. Anthony de Padua Catholic School

The 7th and 8th-grade students finished their chapter on simple machines in science class by creating their own simple machines! Mrs. Halopka requires them to have at least two working machines that show creativity. Check out their amazing inventions! A big thank you to anyone who helped these students put their ideas together!
